

2014/15 WANDRRA ELIGIBLE DISASTER PROCLAMATION NOTIFICATION

Thunderstorms and Associated Flooding – Shires of Gnowangerup and Kent (27 November 2014)

The above event has been proclaimed an *eligible disaster* under the Western Australia Natural Disaster Relief and Recovery Arrangements (WANDRRA) on 3 March 2015, pursuant to Section 4.2 of the Natural Disaster Relief and Recovery Arrangements Determination 2012 Version 1, issued by the Commonwealth Government Attorney-General. The State Government will provide immediate financial assistance to those people who have been affected through joint State and Commonwealth disaster relief and recovery arrangements.

A slow moving surface trough moved inland from the west coast from early morning on the 27th, gradually moving east during the day and into the 28th November 2014. Severe thunderstorms produced heavy rain and severe wind gusts over the Central Wheat Belt, Great Southern and Goldfields districts. Kondinin Aero recorded 38.6mm in 1 hour to 1830 WST and Nyabing East 36.0mm in 1 hour to 1928 WST. Thunderstorms developed near and to the east of the surface trough and were observed over both the Great Southern and South Coastal districts on the 27th and 28th November 2014.

Pursuant to Section 2.1.1 of the NDRRA Determination 2012 Version 1, 'flood' is deemed to be eligible *natural disaster* event.

For the purposes of the Western Australia Natural Disaster Relief and Recovery Arrangements (WANDRRA) this event will be referred to as '***Thunderstorms and Associated Flooding – Shires of Gnowangerup and Kent (27 November 2014)***'.

WANDRRA is jointly funded by the State and Commonwealth Governments and administered by the Department of the Premier and Cabinet (DPC), with assistance from other agencies. Through WANDRRA, the Western Australian and Commonwealth Governments provide help to people who have suffered the direct impact of a proclaimed natural disaster event.

The Local Government districts subject to this proclamation are as follows:

- Shire of Gnowangerup
- Shire of Kent

If information becomes available that identifies other local government districts as potentially having been directly impacted by this natural disaster event, subject to further assessment these local government districts may, at a later date, be included in the affected area.

The eligible costs for this event are anticipated to be largely associated with the restoration and replacement of essential public assets, mainly the local and state road network. It is expected that considerable costs may also be incurred for the clean-up of local and state government owned property.

Assistance may be available for the following measures (*where appropriate*) typically covered by the WANDRRA:

- **For individuals and families** – Personal Hardship and Distress grants which are administered by the Department for Child Protection and Family Support (CPFS). Potential measures include emergency food, accommodation, clothing, temporary living expenses, replacement of essential household contents and housing repairs to return housing to a habitable, safe and secure condition. **Note – some of these measures are subject to income and/or assets testing.**
- **For small businesses** – interest rate subsidies on ‘new’ loans approved by Authorised Deposit-taking Institutions.
- **For Primary Producers** – Assistance may be available toward freight costs, materials for boundary fences (***only where it is demonstrated that public safety is at risk***), professional advice grants and interest rate subsidies on ‘new’ loans approved by Authorised Deposit-taking Institutions. These *eligible measures* are administered by the Department of Agriculture and Food. **Important Note - Claims should be lodged before 3 September 2015.**
- **For Local Governments & State Government Agencies** – Clean-up costs and the restoration or replacement (to pre-disaster standard) of *essential public assets* including local road damage. State road damage is also included through Main Roads Western Australia (MRWA). Only costs incurred that are ‘additional’ costs, and are directly related to the event, will be eligible for reimbursement. **Important Note - The allowable time limit for eligible claims expires on 30 June 2017.**

Claims in respect of any other *eligible measures* may also be considered.

It should be noted that assistance under the WANDRRA is not designed to supplant, or operate as a disincentive for self-help by way of commercial insurance.
