

## **2018/19 DRFAWA ELIGIBLE DISASTER PROCLAMATION NOTIFICATION AGRN850 TROPICAL CYCLONE VERONICA AND ASSOCIATED FLOODING (23-26 MARCH 2019).**

The above event has been proclaimed an *eligible disaster* under the Disaster Recovery Funding Arrangements, Western Australia (DRFAWA) on 9 April 2019, pursuant to clause 5.1 of the Disaster Recovery Funding Arrangements (DRFA) (the *Arrangements 2018*), issued by the Commonwealth Government Department of Home Affairs. The State Government will provide financial assistance to those people who have been affected through joint State and Commonwealth disaster relief and recovery arrangements.

Tropical Cyclone Veronica was a Category 4 Cyclone as it tracked very close to the Pilbara Coast, with the core crossing land as a Category 3 Cyclone midway between Karratha and Port Hedland on Sunday 24 March 2019. Widespread heavy rainfall across the region in excess of 600mm resulted in significant water level rises throughout catchments in the area.

Pursuant to subclause 1.1.1 of the *Arrangements 2018*, 'Cyclone' and 'Flood' are deemed to be eligible *natural disaster* events.

For the purposes of the DRFAWA this event will be referred to as "***Tropical Cyclone Veronica and Associated Flooding (23-26 March 2019)***".

DRFAWA is jointly funded by the State and Commonwealth Governments and administered by the Department of Fire and Emergency Services (DFES), with assistance from other agencies. Through DRFAWA, the Western Australian and Commonwealth Governments provide assistance to people who have suffered the direct impact of a proclaimed disaster event.

The Local Government districts currently subject to this proclamation are as follows:

East Pilbara                      Karratha                      Port Hedland

If information becomes available that identifies other local government districts as potentially having been directly impacted by this disaster event, subject to further assessment these local government districts may, at a later date, be included in the affected area.

The eligible costs for this event will be primarily associated with the support and recovery for individuals and communities including emergency food, clothing or temporary accommodation; personal and financial counselling; essential items of furniture and personal effects; essential repairs to housing; removal of debris and support to small business and primary producers. In addition, there will be long term costs associated with the restoration and replacement of the road network infrastructure.

Assistance may be available for the following measures (*where appropriate*) typically covered by the DRFAWA:

- **For individuals and families:** Personal Hardship and Distress grants which are administered by the Department of Communities (Child Protection and Family Support). Potential measures include emergency food, accommodation, clothing, temporary living expenses, replacement of essential household contents and housing repairs to return housing to a habitable, safe and secure condition. Note: Some of these measures are subject to income and/or assets testing.

- **For small businesses:** Interest rate subsidies on 'new' loans approved by Authorised Deposit Taking Institutions (financial institutions).
- **For Primary Producers:** Assistance may be available toward freight costs, materials for boundary fences (*only where it is demonstrated that public safety is at risk*), professional advice grants and interest rate subsidies on 'new' loans approved by Authorised Deposit Taking Institutions. These *eligible measures* are administered by the Department of Primary Industries and Regional Development, Agriculture and Food (Rural Business and Development Group). Note: Primary Producer Claims should be lodged before 9 October 2019.
- **For Local Governments & State Government Agencies:** Clean-up costs and the restoration or replacement (to pre-disaster function) of *essential public assets* including local road damage. State road restoration is through Main Roads Western Australia. Only costs incurred that are 'additional' costs, and are directly related to the event, will be eligible for reimbursement. Note: The allowable time limit for eligible claims expires on 30 June 2021.

Claims in respect of any other *eligible measures* may also be considered.

***It should be noted that assistance under the DRFAWA is not designed to supplant, or operate as a disincentive for self-help by way of commercial insurance.***
