

2015/16 WANDRRA ELIGIBLE DISASTER PROCLAMATION NOTIFICATION ***AGRN768 "Flooding in the Great Southern (25 and 26 September 2017)"***

The above event has been proclaimed an *eligible disaster* under the Western Australia Natural Disaster Relief and Recovery Arrangements (WANDRRA) on 19 October 2017, pursuant to clause 4.2 of the Natural Disaster Relief and Recovery Arrangements (NDRRA) Determination 2017, issued by the Commonwealth Government Attorney-General's Department. The State Government will provide immediate financial assistance to those people who have been affected through joint State and Commonwealth disaster relief and recovery arrangements.

Reports received from various sources have informed the Office of Emergency Management (OEM) that each of the local governments included in this request have been severely affected by heavy rainfall and subsequent flooding, which has resulted in the road infrastructure being damaged.

Pursuant to subclause 1.1.1 of the NDRRA Determination 2017, 'Flooding' is deemed to be an eligible *natural disaster* event.

For the purposes of the Western Australia Natural Disaster Relief and Recovery Arrangements (WANDRRA) this event will be referred to as ***AGRN768 'Flooding in the Great Southern (25 and 26 September 2017)'***.

WANDRRA is jointly funded by the State and Commonwealth Governments and administered by the Office of Emergency Management, with assistance from other agencies. Through WANDRRA, the Western Australian and Commonwealth Governments provide help to people who have suffered the direct impact of a proclaimed natural disaster event.

The Local Government districts currently subject to this proclamation are as follows:

- Albany
- Denmark
- Plantagenet

If information becomes available that identifies other local government districts as potentially having been directly impacted by this natural disaster event, subject to further assessment these local government districts may, at a later date, be included in the affected area.

The eligible costs for this event are anticipated to be largely associated with the restoration and replacement of essential public assets, mainly the local and state road network infrastructure.

Assistance may be available for the following measures (*where appropriate*) typically covered by the WANDRRA:

- **For individuals and families** – Personal Hardship and Distress grants which are administered by the Department of Communities (Child Protection and Family Support Section). Potential measures include emergency food, accommodation, clothing, temporary living expenses, replacement of essential household contents and housing repairs to return housing to a habitable, safe and secure condition. **Note – some of these measures are subject to income and/or assets testing.**
- **For small businesses** – interest rate subsidies on ‘new’ loans approved by Authorised Deposit-taking Institutions.
- **For Primary Producers** – Assistance may be available toward freight costs, materials for boundary fences (***only where it is demonstrated that public safety is at risk***), professional advice grants and interest rate subsidies on ‘new’ loans approved by Authorised Deposit-taking Institutions. These *eligible measures* are administered by the Department of Primary Industries and Regional Development (Rural Business and Development Unit).
Note - Claims should be lodged before 19 April 2018.
- **For Local Governments & State Government Agencies** – Clean-up costs and the restoration or replacement (to pre-disaster standard) of *essential public assets* including local road damage. State road damage is also included through Main Roads Western Australia. Only costs incurred that are ‘additional’ costs, and are directly related to the event, will be eligible for reimbursement.
Note - The allowable time limit for eligible claims expires on 30 June 2020.

Claims in respect of any other *eligible measures* may also be considered.

It should be noted that assistance under the WANDRRA is not designed to supplant, or operate as a disincentive for self-help by way of commercial insurance.
